

Project: Stanford Le Hope  
redevelopment

Client: Collonade Holdings

Role: Development Manager  
& Project Manager

Value: £ 11m

Manly act as Project Manager for the redevelopment of this town-centre regeneration project in Essex. Currently in the scheme development, pre planning stage, the project will see the development of ground level car park and a number of

unused buildings into a mixed-use development of 95 1, 2 and 3-bed residential units, along with a number of retail and leisure outlets and car parking.
