

Project: University of Sunderland  
Clanny House  
Halls of Residence

Client: Singer & Friedlander

Role: Project Manager

Value: £ 6m

Managing the refurbishment of 14 council housing blocks and the construction of three new ones, Manly's strong planning and management expertise meant that this project was completed within seven months, enabling 640 University of Sunderland students to move into the two to seven bed, self-contained flats at the beginning of the academic year.
